

MESSAGE FROM THE PRESIDENT

ASTRID WISSER

As we close out the school year, I want to take a moment to thank all of our parents, teachers, administrators, staff, and volunteers for an amazing year. Because of this community's fundraising and volunteer efforts, we were able to offer a year filled with many exciting events like our Turkey Bingo, Middle School Apex Color Battle, Mardi Gras Bingo, Polar Express, Penguin Patch, Book Fairs, Academic Night, Spring Fling, Q&A with the principals, Teacher/Staff Appreciation luncheons, and many more. These events reinforce the already strong Randolph Field ISD Community and by continuing to build a strong community, we help to enrich the educational experience of our children. Due to the current situation the Elementary School Apex Fun Run, our biggest fundraiser, was cancelled. But because of your generous support throughout the year, PTO raised **\$24,083.70 THANK YOU, THANK YOU!!**

While you see our PTO in action by highlighting these events above, it is also important to point out the day to day impact our PTO has on Randolph Field ISD and our children. The following table is just a few of the functions / activities that the PTO has sponsored this year!

It is our privilege to present to you, YOUR Randolph Field ISD, PTO Executive Board members for the 2020-2021 School Year. We look forward to another year supporting Randolph Field ISD students, families, teachers and administrators. Please see their pictures below!

These activities demonstrate a direct impact on our children's education. Without our PTO's support these activities and programs will become challenging to maintain. This is why our community and schools are so grateful for parents like you. Without your support our children would not have all of these wonderful opportunities.

As you reflect on this past year, please know that you made a difference and you were a big part in making 2019-2020 a great and memorable year. I am so proud to be a part of this wonderful community and look forward to working with the Randolph PTO for another year! I thank each and every one of you for everything you have done this year to support students and staff. A special THANK YOU to Dr. Hemenway, Dr. Fox and Dr. Malone for all of their support!!

Class of

Randolph Class of 2020 Students and Parents,

A student's senior year is a memorable time, typically filled with final days playing a sport, hanging out with your best friends or dancing at your senior prom. The spotlight is always on the graduating seniors... it's their time to shine. This is the last time to make memories with your friends from high school before everyone goes their separate ways. It is different for the Class of 2020, and they understand why, but it doesn't make it any easier.

Randolph PTO would like to offer the opportunity for the Class of 2020 students and their parents to commemorate this time, while still adhering to social distancing. If you would like to highlight your senior, Randolph PTO is launching a campaign to honor our 2020 graduates. We would like to feature your senior through picture(s)/clips and we will post your entry on our website and Facebook page. Every day or two we will highlight another student. Disappointingly, Covid 19 denied this class of graduates numerous rites of passage. This campaign is an effort to recognize their outstanding efforts and achievements in the face of adversity!

Please send your still photos or video clips to president@randolphpto.org

Consider;

- Pictures— can feature one or multiple photos. These can be senior portraits, childhood pics, candid shots that show off their favorite activities—whatever you like.
- Add a caption. Decide what kind of message you want to include. Often this includes well wishes and expressions of love and support from family members. Others might feature a favorite quote or info about the graduate's plans, and some might simply display the senior's name and graduation year.
- You could add various quotes, mottos or funny slogans that were popular in your class year. Or ask friends, other parents and even teachers to share their wishes, congratulations or pieces of advice.
- Your senior's entry should reflect the student's personality and document who they are at this exciting time in their life.

*****Send your graduates message ASAP. On May 22, 2020 the final submission will be posted, no other entries will be accepted after 5/22/2020*****

Yearbooks are set to be delivered the first week of May. Parents will have an opportunity to pick up their yearbooks on Tuesdays and Thursdays from 10-3. PTO will send out a notice once books have been delivered and are ready for pickup. If you are unable to pick up, the school will hold the yearbook for your returning student. For those who will not be returning, and are PCSing before school starts, the PTO will be mailing those yearbooks out @ no cost to the family. Please email the yearbook coordinator at yearbook@randolphpto.org with the following information if you have moved or are moving:
